

SKYLINK INVESTOR FUND PROGRAM

INTRODUCTION

Skylink is a new dynamic company operating in a fast-paced, exciting aviation industry.

We pride ourselves on the fact that we are aiming to be a global business, operating across many countries with diverse and talented teams. We have a high-performance work environment that is built upon a culture of ambition, excellence, respect and teamwork. We seek to provide an inclusive workplace where our employees can grow and develop while contributing to the ongoing success of the company.
We actively seek to hire and retain the best talent in the industry and remunerate our employees with competitive compensation and benefits.

OUR CEO AND FOUNDER

Our CEO & Founder **Safwan Ul Amin** is fast moving successful businessman known for his investments across various industries. He currently manages assets of £100 million and growing, but its his love of aviation and sense of opportunity in the aircraft leasing industry that has resulted him entering this business.

OUR PLAN AND OUR VISION

OUR PLAN

Skylink is aiming to be a industry leader across all areas of commercial aircraft leasing. We plan to build a highly attractive portfolio, a diversified customer base and an order book of the most in-demand new technology aircraft in the world. This scale, combined with our unmatched team, will enables us to provide comprehensive and tailor-made fleet solutions that are unrivalled in the leasing business.

OUR VISION

Skylink has a vision to be a leading leasing company world wide and to be a successful business powered by its people and its principles defines our unique vision that we have. All our partners share the profits and benefits created by our success. Over the next 5 years we plan to acquire 100+ aircraft from Airbus, Boeing and Embraer. From narrow to wide bodies.

PROJECTED NUMBERS AND FINANCIAL PROJECTIONS

Over the next 5 years we plan to acquire 50+ aircraft from Airbus, Boeing and Embraer. From narrow to wide bodies.

50+

Aircraft

15+

Airline Customers

In Yearly Revenue

INVESTMENT INFORMATION

Invest in our specially designed fund which will help us to develop and scale an aircraft leasing business for the airline industry.

- ✓ Purchase of aircraft
- ✓ Setting up head office
- ✓ Setting up base at Biggin Hill
- ✓ Setting up global support offices
- ✓ Exhibiting at trade shows
- ✓ Hiring of management team
- ✓ Advertising and marketing

We will be giving 12% return on your investment each year and the deal will be locked in for 7 years. The first repayment to you will start two years from your deposit as we would need that time for the business to mature and start to generate a revenue. After 7 years the deal will close and you have option to convert your deposit into shares of business (valued at that time) or receive your investment back in full. *Turnover to be at 3M at 20% net profit for the ROI to be paid.

INVESTMENT EXAMPLE

£100,000 Minimum Investment

12% £12000 paid each Year for 5 years

7 Years Deal locked for 7 years

£60,000 Your ROI

SUMMARISE

One leasing company, unlimited business potential, revolutionizing the way for airlines to access fuel efficient latest aircraft.

We look forward to welcoming you to our investor fund program and be part of our exciting new journey where literary sky is the limit.
